

Parents comments on learning this week:

As we are currently unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to:

nursery@st-margaretsanfield.liverpool.sch.uk

Please feel free to share comments, photos and anything your child has been doing at home that we can share in Nursery.

In Jigsaw this week we have been talking about sharing and team work. We talked about how we are all part of St Margaret's and how we work together to make our day more fun and enjoyable.

This week has been Health and Sports week. We have been talking about the importance of physical activity and the effect it has on our body. We have talked about what we can do to keep active in Nursery.

Date given: 2nd October 2020

Dear parents and carers

We ask that you kindly provide £1 snack money per week to help towards snack costs and special activities in Nursery.

Please inform us if your child has any food allergies.

Many Thanks

What have we been doing in Nursery this week?

This week we have been looking at the story of *We're Going on a Bear Hunt* by Michael Rosen. We have enjoyed joining in with the story language. We enjoyed acting out the story when we went on our own bear hunt outside. We also went on a sound hunt around our Nursery singing 'We're Going on a Sound Hunt'. We listened to and identified sounds in our environment using our 'listening ears'.

In maths this week we have practising counting forwards and backwards from 0-10. We have been singing lots of number rhymes to help us with our counting and to gain an understanding of how quantities can change.

Homework

Retell the story of *We're Going on a Bear Hunt*. Can you remember the sound they make in the river (splash splosh) and in the mud (squelch squerch) etc?
