

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

**Please remember
to return on or
before Thursday.**

Topic

This week we have been learning about the Hindu Festival of Light- Diwali. We used clay and moulded it into Diya lamps, we decorated these with colourful sequins. We heard about the traditions that those who celebrate Diwali may follow.

We also talked about the importance of Charity and played fun games to develop our awareness about the importance of the work people do to raise money for the Children in Need charity.

Date given: Friday 13th November 2020

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Many Thanks!

Mathematics and Literacy

In Maths this week we have been focussing on the number 4. We developed our awareness of the value of 4. We looked at 4 in terms of shape (squares, rectangles and diamonds) and time (4 o'clock). We also took part in Children in Need Maths activities to practise our counting skills.

We have continued to learn some letter sounds (phonemes) this week in our Phonics groups. We have also been learning about Remembrance Day. We watched an information clips about the significance of the Poppy and heard a poem called 'They Shall Not Grow Old'.

Homework

Tell your grown-up a fact you have learnt this week.
