

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

We have been thinking about light and dark. We read the story, 'Night Monkey, Day Monkey'. We thought about the different routines that we follow in the day time and at night time. We also looked at Winter cold colours and made a Winter collage using tissue paper. We practised using scissor skills to cut the paper.

Date given: Friday 15th January 2021

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Many Thanks!

Mathematics and Literacy

In Maths this week we have been using the White Rose Maths scheme to explore number in depth, this week we looked at number five and different ways it can be represented. We have also been thinking about the months of the year. We discussed whose birthday was in each month and any events that are important to us that we can count down to using a calendar.

In Literacy this week, we listened to the story 'Leaf'. We spoke about what we already know about polar bears and researched more information about polar animals. We discussed what makes these animals so suited to living in cold places and then found these places on a globe.

Homework

Can you find out some information about one animal that lives in a cold region? What makes them so suited to the cold weather?
