

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This week we started our Minibeast topic. We developed our knowledge of Minibeasts throughout the week using different sources.

We also used our fine motor skills to strengthen our hand muscles and to develop our language of length as we moulded different sized worms from playdough.

Date given: Friday 16th April 2021

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Also, please ensure that your child comes to school on Friday in their P.E kit.

Thank You

Mathematics and Literacy

In Maths this week we have been recapping number recognition. We played a fun interactive game on the iPad to practise ordering numbers accurately.

<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>

We have enjoyed learning all about Minibeasts. We Fred talked some Minibeast names and things that are related to Minibeasts e.g. wing, leg, web etc to develop our blending skills. This week we also started to research some facts about Minibeasts and learnt how to use a non-fiction book to discover more information.

Homework

Play Fred Talk Games at home with your grown up. Fred is going for a walk! Can you Fred Talk different things that he may see? Maybe he will find some Minibeasts.

Also please access the virtual classroom that can be viewed via the school website. It is important that you child continues to practise their phonic knowledge at home.

Thank You
