

Parents comments on learning this week:

As we are currently unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to:

nursery@st-margaretsanfield.liverpool.sch.uk

Or via Seesaw.

Please feel free to share comments, photos and anything your child has been doing at home that we can share in Nursery.

Topic Work

In Jigsaw this week we have continued the topic of relationships and have been talking about our friends. We discussed what makes a good friend. We talked about what it felt like to be lonely and what we can do to help our friends when they feel lonely.

On Friday, we celebrated St George's Day. We dressed up in red and white and made the flag of England. We read the story of George and the dragon and talked about how people celebrate St George's Day.

Date given: 23rd April 2021

What have we been doing in Nursery this week?

This week we have read another of Eric Carle's stories, The Very Hungry Caterpillar. We recapped the days of the week in the story and learnt about the life cycle of a butterfly. We also learnt a song called 'There's a Tiny Caterpillar on a Leaf' to help us remember the 4 stages of the life cycle. We have also been using pictures to help us retell the story.

In Maths this week, we have been practising subitising (saying the number without counting) using the different fruits from the story of The Very Hungry Caterpillar. 1 apple, 2 pears, 3 plums, 4 strawberries and 5 oranges.

Dear parents and carers

Could you please send your child to school with a **sun hat** on sunny days such as we have had this week.

We please ask that girls wear a summer dress or shorts/tracksuits. The playsuits are so lovely but are proving very difficult when children are going to the toilet.

Many Thanks

Homework

The Very Hungry Caterpillar activity on Seesaw.

(If you are not yet on Seesaw you have been sent an email this week.)
