

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This week we have been taking part in a Wider Perspectives project with some students from Hope University. We have recapped learning about our Mental and Physical Health listening to the stories 'The Colour Monster' and 'While We Can't Hug'. We also thought of different exercises we could do and foods we could eat to stay healthy.

Date given: Friday 30th April 2021

Dear Parents and Carers

Please ensure that you are accessing the virtual classroom with your child every week. It is important that your child continues to practise the Phonemes that they are learning in school.

Many Thanks!

Mathematics and Literacy

In Maths this week we have been learning all about symmetry. We played the Topmarks Symmetry game to develop our knowledge <https://www.topmarks.co.uk/symmetry/symmetry-matching>. We have also been recapping doubling, we placed spots on ladybirds and then doubled the original amount.

We have been expanding our knowledge of minibeasts with a shared read of a minibeast Encyclopaedia. We developed our awareness of how encyclopaedias are used. We have also been developing our Phonic knowledge by practising recognising all of the sounds that we have learnt with our Phonics group.

Homework

Please access the Virtual Classroom. Please practise 'Fred Talk' You could Fred Talk some minibeast related words e.g. wing, leg, fly, crawl, hop, jump, leap, wiggle, squirm, spin, web

Thank You
