

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This week, it was Christian Aid Week. We discussed the different ways that we can look after our planet. In particular, we looked at making good choices when it comes to recycling and recyclable materials.

This week was also Mental Health Week. We explored different emotions and how we can manage our feelings. We investigated different ways to be calm using our five senses.

Date given: Friday 14th May 2021

Dear Parents and Carers

Please send your child into school each day with a coat as the weather is changeable and the children play out in all weathers.

Many Thanks!

Mathematics and Literacy

In Maths this week, we have looked in depth at the number 7. We explored the different ways that we can represent the number and shared the number facts that we know about the number 7. We also enjoyed feeding the Shape Monster more complex 2D shapes such as pentagon, rhombus and semi-circle.

In Literacy this week, we shared our knowledge of different minibeasts. We drew a diagram of our chosen minibeast, looking carefully at the shape and colour of the creature. Then, we labelled our diagrams using Fred Fingers to help us to spell the words.

Homework

Move like minibeasts!

Ask your grown-up to Fred Talk the following words:
crawl, dance, scuttle, soar, wriggle, slither

Access the Virtual Classroom via our school website.
