

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This week, we shared the story 'The Very Hungry Caterpillar'. We recapped the days of the week and recalled the different things that the caterpillar ate or did on those days.

We also looked at the life cycle of a butterfly using a non-fiction book to help us find out more information.

Date given: Friday 21st May 2021

Dear Parents and Carers

Please send your child into school each day with a coat as the weather is changeable and the children play out in all weathers.

Many Thanks!

Mathematics and Literacy

In Maths this week, we learnt about time and recapped the features of a clock. We created our own clocks and used them to practise recognising o'clock times. We have also looked in depth at the number 8. We explored the different ways that we can represent the number and shared the number facts that we know about the number 8.

In Literacy this week, we shared our knowledge of a range of Minibeasts in different ways. We spoke about how we can gain knowledge from different sources; we could ask each other, read a non-fiction text and use the internet to find out more facts. We used these different ways to find the answer to the many minibeast questions that we had.

Homework

Order the days of the week.

Access the Virtual Classroom via our school website.
