

Name:

Year 3 Spelling Homework

Issued: 10.05.21

Test: 14.05.21

This week your spellings all end in the suffix 'ly'.

Rules:

- When the root word ends in '-y', you change the 'y' to an 'i' and add 'ly'.
- When the root word ends in 'ic', you add 'ally' to the root word.

I have given you 5 words, can you practise spelling those words and then investigate this week's rule and add another 5 words to the list. Are there any other rules you can find?

1	happy - happily	
2	easy - easily	
3	angry - angrily	
4	basic - basically	
5	horrific - horrifically
