

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This week we talked about Father's Day and thought about all of the male role models that we have - dads, step-dads, grandads, brothers, cousins, uncles and nephews. We thought about special people in our lives and what it is that makes these people special. We also thought about growing and discussed new life. We focussed on the life cycle of a chick and researched to find out more information.

Date given: Friday 18th June 2021

Dear Parents and Carers

Please access Oxford Owl for your child's reading book each week. The date the book should be read by will also be visible, a new book will then be given on the date shown.

Many Thanks!

Mathematics and Literacy

In Maths this week, we looked at 2D and 3D shapes. We sorted the shapes into those that are flat (2d) and those that are solid (3d) and discussed some of their properties. We also focussed our learning this week on Money as it was 'My Money Week' we thought about what we need money for, how money can be earned and recapped coin recognition.

In Literacy this week, we thought about our JIGSAW topic of Change. We practised using our Phonic knowledge and Fred Fingers to write labels for body parts in groups. We discussed how we have grown.

Homework

Login to Oxford Owl using the password you were provided with. Please use this login information to access Read, Write Inc. eBooks.

Access the Virtual Classroom via our school website.

Recap money with your child. Create your own shop in your house to help your child recognise different coins.
