Dear Parents/Carers,

Re: Coronavirus and Key Workers.

The Government has announced that some schools will remain open for pupils whose parents/carers are key workers so they can remain at the front line of care for our most vulnerable. We need to draw up a list of all those people who would require some sort of childcare due to fulfilling the Government criteria for key worker status.

The government has issued the following guidance regarding key workers here: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>. You will need to provide evidence from your employer that you fulfill the criteria.

In order to ascertain the number of people within the school community who are working within these categories, please email the school 'admin@st-margaretsanfield.liverpool.sch.uk' with the information and/or return the slip below if you need childcare provision. **Please try to do this by 2:30pm today.**

Thank you for your continued support and patience.

Yours sincerely,

Mrs L J Hughes
