

Department for Education

We are continuing to keep you updated on the government's response to COVID-19 (Coronavirus).

## Department for Education Coronavirus helpline

Today, we have launched a new helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: [DfE.coronavirushelpline@education.gov.uk](mailto:DfE.coronavirushelpline@education.gov.uk)

Opening hours: 8am to 6pm (Monday to Friday)

- No school should close in response to a suspected (or confirmed) COVID-19 case unless directed to do so by Public Health England.

## The importance of hygiene

Personal hygiene is the most important way we can tackle COVID-19. Please help us in sharing simple and effective hand hygiene messages.

Public Health England has a dedicated webpage with a range of posters and digital materials at:

<https://campaignresources.phe.gov.uk/resources/campaigns/101-coronavirus-resources>

Sign up is quick, free and means you will be alerted as more resources are made available.

## New guidance for employers

The Department for Business (BEIS) and Public Health England have issued guidance for employers, which you can find at:
