## St Margaret's Anfield

Church of England Primary School

With God, all things are possible.

### Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

We had a lovely visit from the Community Police officers at the school hub this week. The children gave them some pictures which they have displayed in their station window! Keep an eye out for them if you do pass the Tuebrook station!

Steve Reddy, Director of Education, sent a letter to parents last week regarding the re-opening of Liverpool schools. You can find it on our website. Please rest assured we are working hard to assess the situation and put plans in place to ensure that SMA is a safe place for all when we are able to open for more children. You can also find my letter to parents, sent out at the end of last week, on our website. <https://stmargaretsanfield.co.uk/important-headteacher-update-regarding-recent-government-announcements/>. I will be in touch with more information in due course. Please note that SMA hub will **close on Friday 22<sup>nd</sup> May** and we will reopen on **Wednesday 3<sup>rd</sup> June to children of key workers and vulnerable children only**. Thank you.

We are missing seeing all of our pupils and families of SMA and hope that you continue to enjoy your time together staying safe at home until we can all be together again.

Please all continue to stay safe and look after one another,  
Mrs Lesley Hughes

### Book Recommendation...

Ms Leath recommends The Book of Hopes. This book is the culmination of work from a wide variety of popular authors, with pieces by Michael Morpurgo and Katherine Rundell amongst others. It's aim is to bring a little light and hope during lockdown and it is completely free to read online or download. Check out this link or look up The Book of Hopes online at <https://literacytrust.org.uk/family-zone/9-12/book-hopes/>

### Activities this week

This Week is Mental Health Awareness week, a time to raise awareness of mental health and how important it is to look after it. This year the Mental Health Foundation have chosen the theme of 'Kindness'. A very appropriate one in this current situation. So many people are already showing great levels of kindness by looking after those around them and staying home to keep themselves and others safe. We are hoping that this week you can show us how else you can be kind to those around you and also kind to yourself. Look out for our kindness activities this week and maybe think of some of your own. Please don't forget to share them with us.

- Mr Bishop

Miss Eagle suggests we follow the link to J.K Rowling's new 'Harry Potter at Home' website to find out who your Hogwarts best friend would be! <https://harrypotter.bloomsbury.com/uk/fun-stuff/who-is-your-hogwarts-best-friend/>

Beautiful work from Olivia Marquis of 6M last week

If you have any work you would like to feature in the newsletter please sent it to [admin@st-margaretsanfield.liverpool.sch.uk](mailto:admin@st-margaretsanfield.liverpool.sch.uk)

### Riddle of the Week

Q: What Begins with T ends with T and has T in it?

Answer will be revealed next week!

### Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

We are able to hear birdsong so much more clearly during the last weeks as a result of there being less background noise due to the lockdown.

It's as if the whole of nature is singing to its creator – God.

The blossom on the trees, the clear blue skies, the hawthorn hedges. Everywhere you can see God's handiwork and Isaiah 55 reminds us that

*'the mountains and hills will burst forth in song and the trees of the field will clap their hands'* in praise of God. (Isa. 55:12)

**"Shout for joy to the Lord, all the earth! Come before Him, singing with joy ... He made us, we are His."**

(Psalm 100:1-3 NLT)
