Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Very high standard of achievement from the children in extra-curricular competitions e.g. City finalists Badminton, Dodgeball, Table Tennis, Matball, New Age Kurling and Basketball. • School has achieved the Platinum Sports Mark for 2018-2019 this lasts for 2 years and has been extended due to the pandemic • School provide a wide range of sporting activities for the children this will continue through inter-school competitions in class bubbles supported by LSSP e.g. Basketball Y6 • L.F.C Primary stars P.E programme has been a great success on improving children's attitude to P.E. This programme resumed in September 2020 • L.F.C Red Neighbours scheme has been successful in improving the Attendance and Punctuality of pupils several children have also received free football kits as reward for work during lockdown • L.F.C workshops have been taking place in the class bubbles and have been a great success e.g. Cross Curricular Maths, Rainbow Laces and Racial awareness • Daily mile activity is a great success and children are more physically active as a result plus this is having a positive impact on children's attitude and concentration in the classroom which has improved attainment. Parents have also had the opportunity to get involved, improving their fitness/chance to bond with their children. • High percentage of children physically active and taking part in 3 hours or over a week in P.E. • We have a whole school sports week/family fun day can run each year this will serve to provide great scope to which sports to for the next academic year • Over £1500 has been raised for charity whilst taking part in physical activity. • PlayPals has been a success but this will have year group/ bubble representatives this year 	<ul style="list-style-type: none"> • To continue developing children's experiences in new sports such as Quidditch. • To develop the children's orienteering and outdoor learning skills further this can be extended by training the children to use the orienteering course around school. • To further develop KS2 and KS1 opportunities to take part in competitive sport and extra curriculum sports, especially KS1 • To enhance sporting opportunities for the children ensuring each year group has an opportunity to represent their school. • To continue to develop the role of the apprentice to support the teaching of P.E and sport. • To further develop confidence knowledge and skills of staff in delivering P.E lessons especially in gymnastics. • Enhance the teaching of P.E curriculum. To increase the range of sports on offer to allow further pupil participation and to increase children's wellbeing. • To increase children's participation in physical activity and after school clubs especially to those who do not meet the governments recommended 30 minutes of physical activity a day. • Pupils in KS2 and KS1 playtimes continue to be developed with more choice of games and activities on offer for all children – full training of bubble PlayPals to start after Autumn half term. • To develop staff training to ensure the staff are confident in teaching their 2nd P.E lesson in response to annual staff P.E skills audit. • To develop bubble competitions and to keep the spirit of competition alive through these unprecedented times. • To showcase and highlight the benefits of school sport and our school as a platinum award school
