MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Thank you to all of our children, parents, carers and staff for a wonderful end to this term. We wish you all a safe and happy festive holiday.

We look forward to welcoming you back for the spring term on Wednesday 4th January 2023. A New Year a fresh start for your child's attendance record. Please help us to improve your child's attendance. It has really dipped and it must get better.

The children enjoyed their Grotto Day this week, class parties and this mornings Christmas movies. We really appreciate all of the effort staff have put in to make this last few weeks magical for all of our children.

Take care and have a lovely Christmas

ATTENDANCE REPORT

MONDAY 19TH DECEMBER 2022—WEDNESDAY 21ST DECEMBER 2022

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
