## MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Our attendance is steady but really does still need to improve. Please take a look at how your child's class has done this week on the next page of this newsletter.

Our Basketball team have played really well this week and have a final match on Monday. Well done and Good Luck!

We have had a great week celebrating Chinese New Year and had a wonderful visitor in on Tuesday. Children took part in paper folding and learning about the New Year celebrations. To top this off we had a fantastic themed lunch on Thursday. Thank you to all who donated this week when we wore red we raised just over £100 for school fund.

Next week sees the start of the booster sessions and our after school clubs continue. Please see the list to the right. You should have received a letter if your child is staying for boosters.

Year 5 swimming lessons also continue on Monday and I must remind all parents/carers of Year 5 to ensure children have their swim kit in school on Mondays.

Take care and have a good weekend

Mr Griffiths

## RECOMMENDED READS

Miss King and 6K recommend Michael Morpurgo's story 'War Horse' :

*We have chosen this story because we have learnt about World War Two our History lessons and our class wanted to compare this story with another of Michael Morpurgo's, 'Kensuke's Kingdom', that we read in Year 5.*

### ATTENDANCE REPORT

MONDAY 16TH JANUARY 2023—FRIDAY 20TH JANUARY 2023

### This week's % attendance

#### What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.  
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

#### SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

#### Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
