MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Attendance has dipped again this week we really need an improvement in our final week of this half term.

We have our Online Safety Day to look forward to on Tuesday. As part of the celebrations, we would like to invite your child to join us in dressing up to represent their favourite part of online culture. This could be their favourite video game character, YouTuber or anything to do with computers and the internet. We ask that you consider making a small monetary donation (50p-£1) towards this event.

We will also be running a "How to be safe online" poster competition, with the winner receiving time on either the iPads or Xbox for their class.

A group of children had the opportunity for a walkaround Everton FC this week to meet two of the players. They had a wonderful time and the photos are available to view on our Twitter page.

We finish 3.10pm for Infants, 3.15pm for Juniors next Friday 10th February for the half term holiday. We return to school on Tuesday 21st February 2023.

Take care and have a good weekend

Mr Griffiths

ATTENDANCE REPORT

MONDAY 30TH JANUARY 2023—FRIDAY 3RD FEBRUARY 2023

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
