### MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Our attendance has dropped drastically this week. When we return after the half term holiday we have 6 weeks until the Easter Holidays. 6 weeks to get our attendance to the best it has been - our target is 97% and we can do this with your help.

This week we have had Mental Health Week in school and children have taken part in some great activities. There are photos and information on Twitter.

We had our Online Safety Day on Tuesday. The effort put in on that day was astounding and we thank you for the donations. The children's creativity shone out again.

We have sent a letter home this week all about gaining the Reaccreditation of our Wellbeing Award for Schools. Part of the letter was about a survey and this is still open for anyone who would like to get involved and complete it. Please click the link [here](#) to see the letter for more information.

Friday 24th February we will see our first Chill and Chat Coffee Morning hosted by Mr Bishop and Ms Hird. This will be an opportunity for you to come in to school after dropping the children off and starts at 9am in our Infant Hall. We look forward to seeing anyone who is available to attend.

Today we say goodbye to Mrs Hollis one of our Year 1 teaching assistants. We wish Mrs Hollis the best of luck in her new job and for her future.

Take care and have a great half term holiday

Mr Griffiths

### ATTENDANCE REPORT

MONDAY 6TH FEBRUARY 2023—FRIDAY 10TH FEBRUARY 2023

#### What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.  
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

#### SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

#### Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
