MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Welcome back! I hope everyone had a lovely break during the half term. We now have only 5 weeks until Easter and we really need to use this time to turn our attendance around. Our target is 97% for the whole school and this week we are sitting at 88%. This needs huge improvement.

School will only be open to Nursery, Class 4F and Class 6K on the Teacher Strike Day next week. Thank you to everyone's support.

Our Cross Country runners are gearing up for their race on Monday at Sefton Park we wish them the best of luck.

In other sporting news our Football team had a great time at Tiber Football today - see our gallery page for photos.

We are very much looking forward to upcoming Easter activities in school. Please keep an eye out for information to follow over the next week or so about what exciting events are happening.

Next Thursday we celebrate World Book Day! We look forward to seeing children dressed up as their favourite characters. We would also love for our pupils to 'Get Caught Reading' - can you take a picture of your child reading somewhere a bit different?

Take care and have a great weekend,

Mr Griffiths

ATTENDANCE REPORT

TUESDAY 21ST FEBRUARY 2023—FRIDAY 24TH FEBRUARY 2023

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
