## Unit 3.1

L.o. To use technology safely and responsibly and know what to do if they encounter an online problem.

Remember these basic Internet Safety rules.

Bribery	When someone offers something in return for doing something.
Flattery	When someone says nice things about you, which might sometimes seem over the top.
Messaging	A way of sending written or spoken messages on a computer.
Online	When a person is accessing the internet using an electronic device.
Private	Only selected people can see something on the internet.
Public	Can be seen by anyone with access to the internet.
Text	Use a phone to send a message.
Threat	Something bad will happen if you don't do something for them.
Viral	Something that spreads quickly amongst internet uses.

Follow the SMART rules to stay safe online

- S** Stay **safe** online by not sharing personal information
- M** Do not **meet** anyone who you have only made friends with online
- A** Do not **accept** messages or friend requests from strangers
- R** Not everything online is **reliable**. Some people online are strangers and may try and trick us
- T** **Tell** an adult you trust if anything happens online that you don't like
