Game of the Month – April

All Year Groups

Create a Story

In pairs, as a group or a class, can you work together to create a story? Choose a story opener and then each person adds their own part. Remember to include key features for your year group, e.g. opening, setting and character description, problem, resolution.

Cognitive – Content, Structure, Clarifying & Summarising and Reasoning.

Social and Emotional – Listening and Responding, Working with Others and Confidence in Speaking.
