

St Margaret's Anfield

Learner Profile

With God All Things Are Possible

We are safe; we are ready to learn; we are respectful and resilient.

Our curriculum intent links wholly to our school motto: 'By Faith and Work' and has been designed to reflect that life at St. Margaret's Anfield is inclusive, exciting, challenging and inspiring.

Our school values of Truth, Fairness, Justice and Joy are the backbone of everything we do in school to create life-long learners.

Our broad and balanced curriculum, based on concepts, values and our school vision, promotes pupils' spiritual, moral, social and cultural development and provides opportunities for pupils to be:

Happy and Enthusiastic Learners

Our school environment will nurture our pupils so they are happy and feel safe. We will plan lessons that interest our children, as well as build upon their foundations, in order to make them enthusiastic about learning throughout life.

Creative Thinkers and Problem Solvers

We will seek opportunities for our children to think creatively and to use their own initiative when solving problems. They will develop an awareness of how to approach different tasks.

Resilient

Our children will be challenged and encouraged to develop strategies and inner strength, considering ways to cope with the demands of modern life as well as being able to consider how to succeed at something they might initially find challenging. Our children will be strong, resilient and positive individuals.

Compassionate

Our pupils will be educated in a school that holds a strong Christian ethos as its core, and because of this, they will develop in their own spiritual awareness as well as an understanding of other faiths. Our pupils will be

Truth

Fairness

Justice

Joy

St Margaret's Anfield

Learner Profile

compassionate, tolerant and caring humans who will endeavour to be the best they can at all times fully accepting difference and valuing all God's children.

Responsible

Our pupils will have opportunities to demonstrate and develop in terms of becoming responsible citizens; they will be encouraged to think of others and to reflect on their own actions and intentions.

Courageous Advocates

Our children will have the opportunities to present their viewpoints about matters and discuss what they believe is right and just. They will act with honesty and integrity and will develop a strong sense of fairness, whilst maintaining an awareness of the rights and dignity of others. Our children will develop as future courageous advocates for justice, who are prepared to challenge injustice.

Communicators

Our pupils will be able to express themselves verbally and in writing with confidence and creativity. They will work together as part of a team, taking on different roles and being respectful of one another. Our pupils will be good listeners and will be considerate of the perspectives, beliefs and opinions of others.

Enquirers

Curiosity, asking questions and developing skills for research will be fostered at SMA whilst pupils develop both in terms of independence and as being a team player.

Knowledgeable

Our pupils will build up knowledge over time and will develop skills and understanding in a variety of areas in our broad, balanced curriculum, whilst engaging with local, national and global issues.

Jesus said, 'Love one another as I have loved you.'

Therefore, by faith and work, we will be the change we want to see.
