MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Next week is our Health and Wellbeing week where children will be taking part in activities hosted by some fantastic visitors. Children should attend school every day in their school PE kits. We are however still collecting sweets or chocolate for the Summer Fayre.

This week some of our Year 6 children had their residential trip to Colomendy. They had a great time and there are some photos on Twitter.

On Thursday, Year 6 went to at the Leavers Service at the Anglican Cathedral. Thank you to the parents and carers who were able to attend. There are only four and half weeks left for our Year 6 pupils in Primary School and we have some lovely things planned that we hope will give them more lasting memories for the years to come.

We had a visit from Liverpool City Council's Recycling Team today where they hosted a great assembly for Reception to Year 6. We already do a lot to be as green as possible as a school but this certainly gave us some more inspiration for making a difference in the world.

Take care and have a great weekend,

Mr Griffiths

ATTENDANCE REPORT

MONDAY 12TH JUNE 2023—FRIDAY 16TH JUNE 2023

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
