MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

What a week! The weather has been perfect for our health and wellbeing activities. Children took part in a variety of events, including fencing, archery, yoga, taekwondo, athletics, glow-fit, UV dodgeball, cricket, fun fitness and basketball.

A special mention to our Mini League Football team who were announced winners of the league yesterday! Well done to the team, the wins and losses are all part of the game and we came out on top. Your hard work and commitment really showed! Thank you to the parents for supporting your children.

Next week, we have our sports days scheduled and we are really hoping the weather stays dry and we can invite parents and carers to join us. We will keep in touch if the weather does mean we have to cancel, so please ensure you have your app notifications on and keep an eye on emails. Please see letter sent home today with all children for details of days and times of your child's sports day.

On Friday we have own clothes day and are asking for donations of £1 to go towards the Summer Fayre. Year 2 also have their trip to Gullivers World on Friday but we do ask that children wear their school uniform to attend trips.

We have notification of strike days on Wed 5th and Fri 7th of July but I will let you all know on Monday if this will affect your child. This also means that there is a change to the year 6 church service which we are waiting for a confirmation of a new date. Transition day for Y6 children is now planned for Thursday 6th July, a letter will be sent out on Monday with details of each secondary school's confirmed new dates. Children in Year 2 – Year 5 will meet their new teachers on Tuesday 4th July and Year 1 will meet their teachers on Wednesday 12th July.

Take care and have a great weekend,

Mr Griffiths

ATTENDANCE REPORT

MONDAY 19TH JUNE 2023—FRIDAY 23RD JUNE 2023

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
