MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

Thank you for your donations today for the Summer Fayre. The Fayre will take place on Tuesday (4th July). There are quiet sessions by appointment only starting at 1.15pm. For everyone else you can collect your children from class at 1.45pm and make your way round to the Fayre from 2pm.

Next week we have strike days on Wednesday and Friday. Only classes 4F, 4C and 6K should be in school on those days. A letter was sent home with children last week about the strikes, you can view a copy [here](#) on the website.

Year 4's trip will still go ahead on Wednesday despite the strike action. We also have Year 5's trip on Thursday.

We are launching our Summer Raffle on Tuesday and tickets will be available to buy at the Summer Fayre. Tickets will continue to be sold in the school office up until the last week of term. We will draw the raffle in the final days of term. Tickets are £1 per strip or 20p per ticket.

We were very grateful that our Sports Days were eventually able to take place. Well done to all of the children (and parent/carers!) who took part. A big thank you to the parents who helped clean up the letter that had been left. There are some great photos on our Twitter page.

On Tuesday morning we are having a transition activity where children from years 1 through to 5 are going to visit their classroom where they will be from September and will meet their teachers. Reception will visit their new class on 12th July.

It is very important to ensure that your child is in school so they are not missing out on the activities we have planned during this half term. Our attendance is still below our target and we would really like to finish this school year having achieved the 97% we have been working towards.

Take care and have a great weekend,

Mr Griffiths

ATTENDANCE REPORT

MONDAY 26TH JUNE 2023—FRIDAY 30TH JUNE 2023

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
