MESSAGE FROM MR GRIFFITHS

Dear Parents and Carers,

We are very pleased to announce that we have been reaccredited with the Wellbeing Award for Schools. Thank you to our wellbeing team and our children, parents and carers for supporting us in gaining this award.

This week Years 4 and 5 had a great time on their summer trips. Year 4 unfortunately had their ferry cancelled but their adventures on the Liverpool Waterfront and visits to the museum made up for this. Year 5 had a great time at the Eureka! Science and Discovery Museum. Photos are on Twitter for all to view.

Thank you to everyone who attended our Summer Fayre. It was a lovely event and a pleasure to see so many parents and carers in school. Our raffle is still ongoing and will be drawn in the final week of term. Tickets are on sale from the school office.

We have had a transition day this week where children got to meet their teacher for next year and spend some time visiting their new classrooms. We have also sent a letter out with children with the details of what class they are moving to. You can find a copy of this letter [here](#) or on the website.

We have remained at just under 94% attendance for the last two weeks but I really do feel like we can hit the 97% target next week if we all try. Please ensure your child is on time and in school next week.

We have our year 1, 3 and Reception trips next week. Along with our Year 6 Leavers Service at Church and our Year 6 Graduation. Please see the dates on the right for more info.

Can all children please return their Home Reading books to school by Friday (14th July) next week.

Finally we would like to thank you for your support and understanding this week with regards to the teacher strike days.

Take care and have a great weekend,

Mr Griffiths

ATTENDANCE REPORT

MONDAY 3RD JULY 2023—FRIDAY 6TH JULY 2023

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
