MESSAGE FROM MR GRIFFITHS

We have had a great second week back in school. Attendance has improved slightly so we are just over 93% but we really want to be able to achieve that 97% target. We need your help to ensure your children are attending school and arriving on time.

This week we have welcomed our Nursery children into school. It has been lovely to meet all of the new children and welcome back children who attended before the summer break.

LSC are back next week to do an after school club on Mondays. This is open to Years 4, 5 and 6. A letter was sent home earlier this week with details on how to book via their website. Please click the link [here](#) for more info.

Next **Wednesday, the 20th September**, the photographers are coming in to take our school photos. All children must be in school on time to ensure the day runs smoothly. Please ensure your children attend in full school uniform—no PE kits that day!

Have a great weekend

Mr Griffiths

ATTENDANCE REPORT

MONDAY 11TH SEPTEMBER 2023—FRIDAY 15TH SEPTEMBER 2023

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
