MESSAGE FROM MR GRIFFITHS

Welcome back! The children have come back to school
very well rested and ready for this new term. I hope
everyone had a lovely Christmas break.

It is a very short half term with 4 weeks left to go now
until we have a week off. With it being so short, we are
aiming for our attendance to be excellent. We have
started this week at just under 94%. Our target is 97%
and this will be achieved but we need your help to keep
children on time and in school every day. We finish for
half term on Friday 9th February (normal finishing times
for all children).

This week we have had some students visiting from
Liverpool Hope University who have delivered drama
sessions to Year 6 children. These sessions will continue
through this term and children have really enjoyed the
first session.

Year 5 continue to have their swimming lessons every
Monday this term. Please ensure your child does have
their swim kit with them.

On Tuesday next week we have School Nurses visiting
Year 6 to do their height and weight survey. Letters were
sent home before Christmas but you can see a copy [here](#).

We have our first sports events next week with our
Basketball Team and Football Teams competing in events.
We wish the teams luck!

Next Thursday (18th January) we are having a Western
Themed lunch. Letters have been sent home with children
today with a copy of the [menu](#), you can see the letter
[here](#). If your child would usually have a packed lunch but
would like to have a school meal on that day to join in with
the theme please see the instructions on the letter to let
us know.

Have a great weekend!

Mr Griffiths

date with anything further.

ATTENDANCE REPORT

MONDAY 8TH JANUARY 2024—FRIDAY 12TH JANUARY 2024

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.
