### MESSAGE FROM MR GRIFFITHS

Thank you to everyone for making the extra effort this week coming to school with this arctic weather. Attendance has dipped and we are no longer on target to achieve our 97% so we really need to bring this back up. We have many exciting events coming up over the next few weeks. We really need to try and get our children into school. If they do become unwell while in school we will always call you and it is always better for their education and attendance that they are in school as much as possible.

Due to the weather, the sporting events this week were cancelled. They have not yet been rearranged but we do have a football game next Thursday for our girls team that we are hopeful the weather will not interrupt.

The children who are attending this year's ski trip went for their beginners lesson yesterday. They had great fun and are really looking forward to getting out on the real slopes in March.

We had a very special visitor in school this week, Catherina Quinn from the Anthony Walker Foundation. Children in Years 5&6 took part in an assembly and Catherina spoke about tackling racism, hate crime and discrimination. The Anthony Walker Foundation promote equality and inclusion for all. We are looking forward to working more with Catherina and the team to help deliver more events to school that can help us thrive even more as a diverse community. As a school we are always trying to "be the change we want to see" and we love to celebrate everyone's cultures. Please take a look at the Anthony Walker [website](#) for more information about the foundation.

As a final note due to the cold weather we have noticed that the parking issues outside the school gates has increased. Parking on the main road directly outside the school is not permitted. It is very dangerous for our children and is also preventing staff and visitors accessing the school premises. There is plenty of parking in the Anfield Sports Centre which is a minutes walk away from the school if you are in the car.

Have a great weekend!

Mr Griffiths

money, trips and we will keep you up to  
date with anything further.

ATTENDANCE REPORT

MONDAY 15TH JANUARY 2024—FRIDAY 19TH JANUARY 2024

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.  
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.
