MESSAGE FROM MR GRIFFITHS

Thank you to everyone for taking part in our NSPCC
Number Day today. Children had great fun drawing on
their t-shirts and taking part in the activities based
around number.

Children in the Juniors took part in a workshop with
HMRC today to learn about tax and how it effects our
finances, business, food and local services. A very
interesting topic for the current climate. Children were
very well behaved and asked some impressive questions.

This week we have ended with attendance remaining at
just under 92%. This is very disappointing and we hope
that we can improve on this before we finish for half term
next Friday. Please continue to report your absences
using email/Parent App or the Attendance line by pressing
1 when you call the school number 0151 260 5522.

Next week we are celebrating Chinese New Year and this
year is the Year of the Dragon! On Thursday (8th
February) there is a Chinese New Year Themed meal
available, please see link [here](#) to see what is on the menu.
If your child would usually have packed lunch but would
like to have a meal on Thursday please complete and
return the letter sent out last week, copy [here](#).

On Friday (9th February) we are inviting children to wear
something red, they will be taking part in activities based
around the Chinese New Year theme and we have a
competition for children to create and submit a piece of
art inspired by dragons with some prizes to be won.
Please see copy letter for more information [here](#). We are
welcoming donations of 50p-£1 for our Courageous
Advocacy Fund.

Next **Friday 9th February** school finishes for half term
at the normal finishing times for everyone.

Have a great weekend!
Mr Griffiths

UPCOMING EVENTS

money, trips and we will keep you up to
date with anything further.

ATTENDANCE REPORT

MONDAY 29TH JANUARY 2024—FRIDAY 2ND FEBRUARY 2024

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.
