MESSAGE FROM MR GRIFFITHS

We had an amazing effort for this year's Easter Bonnet Parade and Eggstravaganza. So much so, we had to run out and get extra prizes! Thank you to all of the parents for their help and encouragement for all of this creativity.

Year 4 hosted a lovely Easter Service yesterday, KS2 were lucky to attend along with Year 4 parents and carers. The service really did bring home what this festive time is all about. We are really looking forward to the Summer term now with better weather and some great fun around the corner!

After our two week break we return to school on Monday 15th April. We look forward to seeing children in their full school uniform or PE kits on their allocated days (please see list to the left of this message). If your child does attend school in their own clothes we will be calling home to ask you to bring in correct uniform for them to change into. Please see letter sent out to the whole school last week [here](#).

We have Year 6 SATs and other year groups have assessments during next term. At this time their attendance is of the utmost importance. We are finishing this week with only 90% attendance and overall for this Spring term was just under 93%. This is very disappointing.

During next term we will also be out on some very exciting trips and are planning our Summer Events time table which we will share with you as soon as we can, including sports days, summer fun day and The Big SMA Raffle! Please ensure your child is in school, on time and present as much as possible to see this school year out in a positive way!

Have a great Easter Holidays!

ATTENDANCE REPORT

MONDAY 25TH MARCH 2024 TO THURSDAY 28TH MARCH 2024

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
- You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
- As a school, we are responsible by law for reporting poor attendance to the local authority.
- As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
- You run the risk of being issued with a penalty notice or being taken to court.
A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
