Ride	Picture	Description	Height Restriction	Permission given (tick or cross)
Avalanche		<p>Climb into your own bobsleigh car and hold tight for the twisting tracks of Avalanche. Each train reaches speeds of up to 50 mph as it races down a 1160ft long course. As the UK's only bobsled coaster, it's a must for any adrenaline seeker visiting Pleasure Beach.</p>	112 cm	

<p>Big Dipper</p>		<p>With five awesome drops and a host of twisting and banked turns the Big Dipper is a classic wooden rollercoaster.</p>	<p>117cm</p>	
<p>Big One</p>		<p>Brace yourself for the Big One, Pleasure Beach biggest, fastest, scariest coaster will have you shaking in anticipation and screaming in delight. At a towering height of 235ft it holds the crown as one of Europe's tallest rollercoasters offering 3 adrenaline packed minutes of coasting.</p>	<p>132 cm</p>	

Red Arrows
Sky Force

This 72ft high, 12-seat white-knuckle ride takes you on a 360-degree tour of the skies and sits in the shadow of the world famous Big One rollercoaster. Stepping into your very own Red Arrows cockpit, you take control of the plane and spin, glide and take formation in your very own display.

Red Arrows Skyforce has you spinning, swirling and exciting the senses while your fellow pilots take control of their own flights before touching down.

<p>Grand National</p>			<p>This classical racing roller coaster has been thrilling riders since 1935 with its competitive edge. Once your train has been dispatched from the art deco station, the battle is on as you compete with the contending coaster train on parallel tracks.</p>	<p>117cm</p>	
<p>Ice Blast</p>			<p>Feel the ultimate rush on the ice cool blast. Let the suspense build as you sit waiting for the ride to catapult you up its steel tower at speeds of 80mph.</p>	<p>132cm</p>	

<p>Infusion</p>			<p>Prepare for an exhilarating infusion of the elements, soar to amazing heights and be taken through a whirlwind water experience to amaze and astound the senses. Five incredible loops plus a double twist await you on our thrilling suspended looping coaster.</p>	<p>132 cm</p>	
<p>Revolution</p>			<p>With wicked acceleration the train is launched out of the station and speeds straight for the loop. Just when you think its over you are launched backwards and relive the incredible G's all over again!</p>	<p>127 cm</p>	

<p>Steeplechase</p>			<p>Swing your legs over your very own horse and get ready for a race with jumps, twists and turns. Steeplechase is a three lane steel coaster where there can only be one winner.</p>	<p>127cm</p>	
<p>Valhalla</p>			<p>Embark on a watery journey through ice, fire, wind and snow on Valhalla. The effects are breathtaking and the drops thrilling.</p>	<p>117cm</p>	

Icon		<p>A double launch will see thrill seekers propelled forward at high speed, not only at the start of the ride, but also at a second point half way through the two and a half minute experience. Riders will experience the same levels of G force as felt by the driver of a Formula 1 car. The launch of the ride features acceleration which is 4 times that experienced in a Lamborghini Gallardo.</p>	130cm
