Dear Parent/Carer

IMPORTANT MESSAGE ABOUT PE KITS

It has been noticed that children are attending school in their own clothes rather than PE kits - particularly older children. After the Easter holidays we will begin to call home for parents to come into school with their child's PE kit/Uniform if your child has not attended school in the correct clothing. Part of our duty as a Primary School is to prepare your child for their next phase of education. If your child were to attend Secondary School wearing incorrect uniform or PE kit they would receive a standard after school detention.

Our PE Kit for children in Reception - Year 6 is:-

- A plain white t-shirt
- A plain black jumper
- Plain dark joggers/leggings in winter - shorts in summer

We do also have t-shirts and black jumpers that have the school badge embroidered on if you prefer. They are available to purchase from "Schoolwear by Lisa" on Prioory Road and they have them in stock in all sizes. Please see the price list below for more information.

Price List:-

Item	Schoolwear by Lisa (embroidered with school badge)	Asda/supermarkets
White T-shirt	£6-£7	Between £2-£4 - pack of 2
Black Jumper	£12.50-£13.50	Between £5-£9 - pack of 2

As much as we like to encourage children to express their individuality we do celebrate plenty of "own clothes days" and events throughout the year where children can wear their own clothes. During normal school days children must be in Uniform or PE kit, if it is their PE day.

Thank you for your understanding and ongoing support.

Mr Griffiths
