

There will be a drop in session next Tuesday 23rd April 2024 at 2:30pm - 3:00pm with Patrick, who is our school Children's Education Mental Health Practitioner. Patrick will be available for a chat about general children's anxiety/mental health. Refreshments will be available during the afternoon.

You will then be able to pick your child up at the normal finishing time from their usual classroom/pickup point.

Please return the below slip if this is something you are likely to attend to give us an idea of numbers.
